

Pulpit Supply Application

Morgan Baptist Association is committed to enable the Churches of our Association, individually and collectively, to share the gospel of Jesus Christ our Lord in fellowship and mission.

We are often called upon to recommend preachers who can share the Word of God in our Churches and beyond. In order to be faithful to our mission, we are seeking to maintain a list of qualified and capable men who can faithfully and effectively share Biblical messages from our pulpits.

Those who desire to be considered for this listing of available preachers should complete the following set of qualifications. Applications should then be submitted to the Director of Missions and Officers of the Association. Upon their recommendation, the applicants will be approved by the Executive Committee. Between Executive Committee meetings, the Director of Missions or the Officers may tentatively approve applicants.
